Dec. 11, 1947

Council met in special session in Mayor office at 3.00 P.M. All aldermen were present and C.C. Funk acted as chairman in absence of Mayor Bonebright.

The council was informed that the purpose of the meeting was to hear reports from the engineers.

Mr Williams from Yoeman & Co stated that he had made his inspection of the plant and found it very satisfactory. Engineer Graham stated that he had completed his survey and found that all work had been completed and that the town could now accept the sewerage system and plant.

Upon Motion by Sorby and seconded by Krall it was unanimously agreed to accept the plant and system from Elemer Johnson and ordered the engineer Mr Graham to draft the final estimate for payment. The final payment to be made 30 days after acceptance.

No further business meeting adjourned at 4:30 P.M.

Clerk E. G. Garbe

Acting Mayor _____

Dec. 15, 1947

Council met in special session with all members present.

The mayor explained that the purpose of the meeting was to establish rates to be charged for use of sewers. It was agreed to establish the following rates and the clerk drew up resolution 101 which was passed without any dissenting voted.

Commercial rates:

2.00	Minnimum for 1st 2000 Gals water used			
.25	Per 1000 for next 3000 "	"	"	"
.10	" " " all additional "	"	"	"

Residential Rates:

1.50	Minnimum for first 2000 gallons water used			
.25	per 1000 for next 1000 "	"	"	"
.05	" " " all additional "	"	"	"

The final estimate was presented to the council and was approved for payment.

No further business meeting adjourned.
