March 30 1960 Council met in special session with all members present. Mayor Traeger asked the council to consider buying a larger street maintainer as the one now used was too small to do the work required. After some discussion the general opinion was expressed that a good second hand machine would be suitable.

It was moved by Weeks and seconded by Larson that the Town of Culbertson advertise for bids, motion carried. The clerk was instructed to submit the following bid advertising to the local paper, first notice to be March 31st.

" The Town of Culbertson Montana will receive sealed bids on the 15th of April 1960, at 8 PM at the Town Hall for one Used Motor Grader all wheel drive and all wheel steering, not less than 100 H. P. motor, complete with Cab, Scarifier and 14:00 x 20 tires. Bidder must accept used AC Model JD Grader. Terms arranged suitable to Town Council. The Council reserves the right to accept or reject any or all bids."

No further business meeting adjourned.

 March 7 Council met in regular session with all members present. Minutes of last meeting were read and approved. Loydd Aspenleider appeared before the council and asked that the road leading to the Miracle Gas plant be fixed, council promised to take care of this. Jake Wolff appeared before the council and asked that sewer be extended to his house on Elemer Avenue, council informed him a surevey had to be made first before any action could be taken. Weeks asked why the blade was being used at the saddle club when streets needed fixing, Mayor informed him that the blade was being used while Alex Damm was asleep and not on duty, Weeks stated he felt that streets should be fixed first before the blade was let out. Moved by Weeks and seconded by Damm that a concrete manhole be installed in back of the Hotel as soon as it was determined what was needed motion carried. It was agreed by all present that May 15th be set as deadline for cleanup and two notices be published in the paper and after that any one failing to comply would receive a notice and work would be hired done by the Town.
